# China

- 79 new cases in Beijing
  - Linked to the Xinfadi wholefoods market
  - Some spread to local regions
  - Response:
    - Market closed
    - 11 residential compounds closed
    - Mass testing by 193 sampling booths across the city - 76,000 people tested per day
    - Contact tracing of all who went to the market in previous 14 days (30,000)
-
