

NRT Gum Promotion

Script for Talking to Tobacco and Vape-Product Users

For Healthcare Professionals

The New York State Smokers' Quitline has a special offer that provides up to three (3) months of free nicotine gum. This can be a great opportunity to consider a quit-attempt. To get the gum, I can provide the Quitline with your contact information and they will call you – or you can apply at their website, *nysmokefree.com*. Please also help us spread the word about this exciting offer to family and friends.
